# WHY TRULY ORGANICS?

## 1. CERTIFIED ORGANIC

Both farms and factory are organic certified, to USDA and EU standards

TH-BIO-140  
Non-EU Agriculture

Certified organic by CERES GmbH

## 2. GHPs/HACCP FOOD SAFETY CERTIFIED

Processed under strict GHPs/HACCP protocols in accordance with CODEX standards, certified by British Standards Institution.

## 3. DIRECTLY IMPORT

We directly import our raw materials from contract farmers around the world, guaranteeing fair trade, best quality and price

## 4. FDA ACCREDITED MANUFACTURING FACILITY

Packed and processed in an FDA approved, environment controlled facility

## 5. RAW FOOD

We apply low temperature manufacturing process under 47°C to preserve the natural nutrients

<47°C

## 6. ENVIRONMENT CONTROL

Our raw materials and finished goods are kept in a temperature controlled storage facility

20-25°C

## 7. VACUUM PACKED

Both raw materials and finished goods are vacuum packed for freshness

## 8. FOOD GRADE PACKAGING

We only use migration tested and certified food grade packaging

- ✓ FOOD-GRADE
- ✓ MIGRATION TEST

Himalayan Salt

# VITALITY OILS

# ORGANIC CERTIFIED VITALITY OILS

**FRESHLY GOLD-PRESSED OILS, RAW (PRESSED <47°C), UNREFINED, UNFILTERED\*, 100% PURE**

All our unrefined, unfiltered pure oils start with procuring the best quality Organic, non-GMO seeds from committed global Organic farmers. These seeds are transported to our facilities under controlled conditions and then stored in cool & humidity free environments, before being cold pressed in our proprietary, environment controlled process. These oils are then packed and shipped to our customers under appropriate transport conditions.

# TAHINIS, SEED PASTES, NUT BUTTERS

# ORGANIC CERTIFIED TAHINIS, SEED PASTES, NUT BUTTERS

**RAW (MANUFACTURED <47°C), STONE-GROUND, 100% PURE,  
NO SALT, NO SUGAR OR SWEETENER ADDED**

Following the ancient traditions of stone milling, we use the best organically sourced nuts and seeds to produce health giving, nutrient rich and wholesome delicious breakfast spreads and snacks. These butters can be used as spreads, toppings, smoothie enhancers in baking, or as emulsifiers. The choice is yours. Our butters and pastes contain fibre and are rich in protein and many essential vitamins and minerals. Our butters are all natural & pure with no added sugar, salt, preservatives or enhancers.

TH-BIO-140  
Non-EU Agriculture

# SUPERFOODS, NUTS, SEEDS, GRAINS, POWDERS

# ORGANIC CERTIFIED SUPERFOODS, NUTS, SEEDS, GRAINS, POWDERS

As these ingredients are the base from which we start our various processes, it is paramount that we have researched and developed relationships through the supply chain to ensure that these products are the purest, healthiest and freshest. Because they get the sign of approval to be used in our process and finished products, they also then become a safe and convenient source of ingredients for many of our home based or commercial customers. We maintain our products in cool and non humid environments, to ensure at all times they are at their freshest.
